We provide sporting activities to children and young people throughout the Borough. We play a range of sports including football, basketball and cricket. The project currently utilises a mobile inflatable football pitch. It is our plan to engage with the people in the community and are interested to hear from you on other activities you would like to include. We also have funding in place to provide free sporting courses to suitable candidates that we believe will give something back to their local community.

- Sessions are free of charge.
- No need to book but places limited to 30 people (first come first served).
- Please bring wet weather clothing and plenty of drinks.
- Programme may be subject to change (sessions may be cancelled due to unsuitable weather/playing conditions).
- If parents/guardians with children have travelled to come to the sessions, it is required that they stay for the duration of the session.
